Thought combined with the telepathic image of 2 individuals' intertwined fingers

Viens-tu avec moi ?

Le peuple de l'eau bleue (Nous les humains de la Terre)

Vous savez alors que vous avez été "Kwhé" (kee-Wah-houé)

Les individus P'nti en contact avec les humains de la Terre (dits les kii-Wah-hou) reçoivent perpétuellement des sollicitations télépathiques.

"Qui me prendra la main ?" (Demande d'aide).

Bonjour ami

Néologisme

"(greeting) "

Le soleil est à son zénith

Means "I'm hungry" and reveals the importance of tea in the P'nti culture.

Du thé je veux.

As P'nti crews back from missions were asking for a snack.

"un petit quelque chose quelque chose"...(à manger)

Moi/je quelque chose non apprécié (dans) ma
bouche

Moi/je quelque chose voulu/désiré/apprécie
(dans) ma bouche

First of two common ways to request someone
speak with you telepathically

"Sois avec moi/Fusionne avec moi"

Second of two common ways to request someone
speak with you telepathically

"Fais moi la grace/l'honneur de me laisser me
joindre à toi."

Remarque

Pensée associant l'image de doigts entremêlés de
2 personnes

(Salutation)

Signifie "J'ai faim", et révèle l'importance du thé
dans la culture P'nti.

Alors que des équipes revenaient de missions et
réclamaient un encas.
